AFFIRMATIVE DEFENSES

On information and belief, DEFENDANTS further allege that the claims that PLAINTIFF has set forth in the Complaint are barred from recovery by one, or more, of the following Affirmative Defenses:

First Affirmative Defense

(FAILURE TO STATE FACTS)

As a separate Affirmative Defense to PLAINTIFF's Complaint, and all Causes of Action contained therein, these answering DEFENDANTS are informed and believe and thereon affirmatively allege that the Complaint, and each and every purported Cause of Action therein, fails to state a Cause of Action against DEFENDANTS.

Second Affirmative Defense

(THE DISPUTE DOES NOT HAVE TO BE IN WRITING)

As a separate Affirmative Defense to PLAINTIFF's Complaint, and all Causes of Action contained therein, these answering DEFENDANTS are informed and believe and thereon affirmatively allege that pursuant to the 9th Circuit ruling in the case of *Camacho v. Bridgeport Financial, Inc.* 430 F.3d 1078 (9th Cir. 2005) that the initial demand letter does not have to state the dispute as to the validity of the debt or the request for the original creditor must be in writing.

Third Affirmative Defense

(FAILURE TO MITIGATE)

As a separate Affirmative Defense to PLAINTIFF's Complaint, and all Causes of Action contained therein, these answering DEFENDANTS are informed and believe and thereon affirmatively allege that as to each alleged Cause of Action, PLAINTIFF, or any other party, has failed, refused and/or neglected to take reasonable steps to mitigate their alleged damages, if any, thus barring or diminishing PLAINTIFF's recovery herein.

///

Fourth Affirmative Defense**(UNCLEAN HANDS)**

As a separate Affirmative Defense to PLAINTIFF's Complaint, and all Causes of Action contained therein, these answering DEFENDANTS are informed and believe and thereon affirmatively allege that by virtue of PLAINTIFF's wrongful conduct, PLAINTIFF should be barred from recovery against the DEFENDANTS by the equitable Doctrine of Unclean Hands.

Fifth Affirmative Defense**(UNCERTAIN)**

As a separate Affirmative Defense to PLAINTIFF's Complaint, and all Causes of Action contained therein, these answering DEFENDANTS are informed and believe and thereon affirmatively allege that the Complaint, and each and every Cause of Action stated therein, is and are vague, uncertain, ambiguous, and unintelligible.

Sixth Affirmative Defense**(NOT LIABLE FOR ACTS OF CO-DEFENDANTS)**

As a separate Affirmative Defense to PLAINTIFF's Complaint, and all Causes of Action contained therein, these answering DEFENDANTS are informed and believe and thereon affirmatively allege that they are not legally responsible for the acts and/or omissions of any named, or un-named, Co-DEFENDANTS.

Seventh Affirmative Defense**(INADEQUATE NOTICE)**

As a separate Affirmative Defense to PLAINTIFF's Complaint, and all Causes of Action contained therein, these answering DEFENDANTS are informed and believe and thereon affirmatively allege that the PLAINTIFF has failed to give proper and adequate notice of any alleged claims which are the subject of this action, and to further allow these answering DEFENDANTS sufficient and reasonable opportunity to cure such alleged claims, or make necessary changes, if indeed such changes were needed.

///

///

Eighth Affirmative Defense**(FRIVOLOUS SUIT)**

As a separate Affirmative Defense to PLAINTIFF's Complaint, and all Causes of Action contained therein, these answering DEFENDANTS are informed and believe and thereon affirmatively allege that the Complaint, and each purported Cause of Action contained therein, were brought without a reasonable cause and without a good faith belief that there was a justiciable controversy under the facts and the law to warrant the filing of said Complaint against these answering DEFENDANTS. Therefore, PLAINTIFF is for all necessary and reasonable defense, including costs of suit and attorney's fees incurred by this answering DEFENDANTS, as more particularly set forth in such Sections as 15 USC 1692k(a)(3) and Rule 11.

Ninth Affirmative Defense**(REASONABLE CARE)**

As a separate Affirmative Defense to PLAINTIFF's Complaint, and all Causes of Action contained therein, these answering DEFENDANTS are informed and believe and thereon affirmatively allege that it exercised reasonable care at all times and in all matters relevant to this action. To the extent, if any, that these answering DEFENDANTS are found not to have exercised reasonable care, even if they had exercised reasonable care, they would not have known of any act or omission alleged to give rise to liability in this action.

Tenth Affirmative Defense**(SEVERABILITY)**

As a separate Affirmative Defense to PLAINTIFF's Complaint, and all Causes of Action contained therein, these answering DEFENDANTS are informed and believe and thereon affirmatively allege that, pursuant to California Civil Code Sections 1431.1 through 1431.5, PLAINTIFF is barred and precluded from recovery against these answering DEFENDANTS for any non-economic damages, except those allocated to these answering DEFENDANTS in direct proportion to each DEFENDANTS' respective percentage of fault, if any.

///

///

Eleventh Affirmative Defense**(UNINTENTIONAL)**

As a separate Affirmative Defense to PLAINTIFF's Complaint, and all Causes of Action contained therein, these answering DEFENDANTS are informed and believe and thereon affirmatively allege that any violations, which DEFENDANTS deny occurred, were not intentional and resulted from a bona fide error notwithstanding the maintenance of procedures reasonably adapted to avoid any such error. (15 USC 1692k(c).)

Twelfth Affirmative Defense**(OFF-SET)**

As a separate Affirmative Defense to PLAINTIFF'S complaint, and all Causes of Action contained therein, these answering DEFENDANTS are informed and believe and thereon affirmatively allege that the DEFENDANTS have suffered damage by reason of PLAINTIFF's Conduct and DEFENDANTS have the right of set-off of any amount of money allegedly owed to PLAINTIFF due by way of the Complaint.

Thirteenth Affirmative Defense**(PRIVILEGE/JUSTIFICATION)**

As a separate Affirmative Defense to PLAINTIFF's Complaint, and all Causes of Action contained therein, these answering DEFENDANTS are informed and believe and thereon affirmatively allege that any actionable conduct by the DEFENDANTS, which DEFENDANTS deny occurred, was Privileged and/or justified.

Fourteenth Affirmative Defense**(FIRST AMENDMENT)**

As a separate Affirmative Defense to PLAINTIFF's Complaint, and all Causes of Action contained therein, these answering DEFENDANTS are informed and believe and thereon affirmatively allege that DEFENDANTS' alleged conduct and communications in attempting to collect a debt constitutes valid commercial speech, and is part and parcel of DEFENDANTS' right to petition, and is therefore entitled to protection under the First Amendment of the Constitution of the United States.

PLAINTIFF's proposed interpretations of the provisions of the Fair Debt Collection Practices Act (FDCPA) and the Rosenthal Fair Debt Collection Practices Act (RFDCPA) must be rejected as they would place an unreasonable restraint upon valid commercial speech and upon DEFENDANTS' right to petition, thereby raising serious constitutional issues.

Fifteenth Affirmative Defense

(NO MALICE FRAUD OR OPPRESSION)

As a separate Affirmative Defense to PLAINTIFF's Complaint, and all Causes of Action contained therein, these answering DEFENDANTS are informed and believe and thereon affirmatively allege that any acts, statements or communications made by DEFENDANTS concerning PLAINTIFF were made without malice, fraud or oppression.

Sixteenth Affirmative Defense

(EQUITABLE INDEMNITY)

As a separate Affirmative Defense to PLAINTIFF's Complaint, and all Causes of Action contained therein, these answering DEFENDANTS are informed and believe and thereon affirmatively allege that to the extent that PLAINTIFF has suffered any damage as a result of any alleged act or omission of DEFENDANTS, which DEFENDANTS deny, DEFENDANTS are entitled to equitable indemnity according to comparative fault from other persons and/or entities causing or contributing to such damages, if any.

Seventeenth Affirmative Defense

(GOOD FAITH)

As a separate Affirmative Defense to PLAINTIFF's Complaint, and all Causes of Action contained therein, these answering DEFENDANTS are informed and believe and thereon affirmatively allege that DEFENDANTS have, at all material times with respect to PLAINTIFF, acted in good faith in an effort to comply fully with all relevant federal and state laws.

///

///

///

///

Eighteenth Affirmative Defense**(NO WILLFUL CONDUCT)**

As a separate Affirmative Defense to PLAINTIFF's Complaint, and all Causes of Action contained therein, these answering DEFENDANTS are informed and believe and thereon affirmatively allege that DEFENDANTS acted in good faith at all times in its dealings with PLAINTIFF, and if any conduct by DEFENDANTS are found to be unlawful, which DEFENDANTS expressly deny, such conduct was not willful and should not give rise to liability.

Nineteenth Affirmative Defense**(UNKNOWN AFFIRMATIVE DEFENSES)**

As a separate Affirmative Defense to PLAINTIFF's Complaint, and all Causes of Action contained therein, these answering DEFENDANTS are informed and believe and thereon affirmatively allege that presently they have insufficient knowledge or information to form a belief as to whether they have additional, and as yet unstated, Affirmative Defenses available to them.

These answering DEFENDANTS, therefore, reserve the right to request leave of the Court to assert additional Affirmative Defenses in the event Discovery or investigation indicates such would be appropriate.
